Statement of the Independent Insurance Agents of Connecticut
to the
Insurance and Real Estate Committee
Regarding House Bill 7126
An Act Concerning Transportation Network Companies

The Independent Insurance Agents of Connecticut supports House Bill 7126, An Act Concerning Transportation Network Companies as it places standards and insurance regulations that provide a safe environment for the residents of Connecticut and all consumers that use a transportation network company in Connecticut.

IIAC urges the committee to adopt additional provisions which are included in the NAIC model act. This will be consistent with setting and complying with a national standard as recommended by the NAIC and the insurance industry.

Thank you for the opportunity to submit this statement from the Independent Insurance Agents of Connecticut.
